

Are you at risk of being evicted?

Want to learn more about your rights?

If you are a low-income tenant who has been threatened with eviction or provided communication about an impending eviction; or if you have any reason to think you will be evicted, Legal Services may be able to help. Housing and Eviction prevention and Legal assistance Project (HELP) provides representation to those facing potential eviction. If you qualify for services, we will provide information, advice, and referral, but cannot guarantee representation.
