

Trouble at Work?

You may be experiencing **labor abuse** if you:

- Are incurring a debt you're unable to pay
- Cannot come and go as you wish
- Are not paid for all of your work
- Are afraid to quit your job
- Fear retaliation if you quit
- Are not allowed work breaks
- Are told when to eat or sleep
- Work a job other than promised
- Can't speak freely around your boss
- Can't get your ID or passport from your boss
- Are threatened with immigration or the police

Call LSNJ PROTECT for Assistance!
